

GOPHER TARP SYSTEM

BRIEF

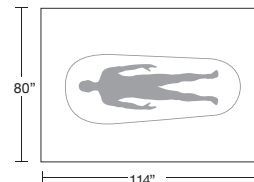

Meet one of Catoma's most versatile products. The Gopher can be used with any Burrow family products or on its own as an expedient shelter or groundsheet. It can also be hung with a hammock for durable weather protection and shade. Features include multiple tie-out points and interior loops for added structure or hanging accessories inside the shelter. Mil-spec materials and simple no-nonsense design make this a tarp camper's perfect companion. Comes with 6 stakes, 6 guylines, and a compression carry bag.
